RSM RV PARK

Dear Friends,

The summer months brought wonderful opportunities for ministry at Rancho Sordo Mundo, and we are so grateful for all that God continues to do through this place. During the month of June, we had the privilege of hosting four weeks of Young Life camps at the Ranch. We are truly blessed to have Young Life use our facilities as they reach out to young people and serve the community. We have been especially encouraged to hear how much the campers and staff enjoyed their time at the Ranch. They appreciated the facilities, the security of the property, and the natural beauty of the Valle de Guadalupe.

Most importantly, we rejoice in what God did in the hearts of the young people who attended. Many campers made decisions to follow Jesus, while others rededicated their lives to Him. We are thankful that Rancho Sordo Mundo could play a small part in providing a place where young people could hear the Gospel, experience Christian community, and grow in their relationship with Christ.

We continue to pray that the seeds planted during these camps will bear lasting fruit in the lives of these young people.

As a reminder, we have a **new ministry mailbox: PO BOX 406, TECATE, CA 91980**, which you can find listed at the end of the second page of this newsletter. In addition, **online donations can be made through our website**. Financial gifts may also be made by check payable to **ANGELS OF LOVE, INC.**, with **"Rancho Sordo Mundo"** noted in the memo line. These contributions help sustain the Ranch and allow us to continue serving and supporting Deaf ministry projects throughout Mexico. Thank you for your prayers and support!

Marisela having Bible study with her deaf students

Hogar EnSeñas – Queretaro Deaf Ministry

Marisela recently shared an update about the work taking place at the ministry. They are currently providing classes to several young deaf people. Some are preparing to enter high school, while a young woman named Priscila is preparing for middle school. Three other students are preparing for elementary school. Although these three students are already adults, they did not have the opportunity to attend school when they were younger. As a result, the educational process can be slower, but Marisela shared that they are making progress.

Alexis (former RSM student) has already begun high school at the **Autonomous University of Querétaro**. His studies are currently conducted online, which has presented some challenges because there is no interpreter available. The ministry is working to secure LSM interpretation assistance for him, and a university professor is helping with the process of finding the necessary support.

We are grateful for the progress being made through Hogar EnSeñas. Even when the process is slow, every step represents an important opportunity for education, growth, and greater independence for Deaf individuals who previously did not have access to these opportunities.

In August, Hogar EnSeñas had the privilege of hosting a **Christian Deaf camp with over 60 deaf individuals**, welcoming Deaf people from different parts of Mexico. It was a wonderful time of fellowship, learning, and growing together in Christ. It was also a time of rejoicing because 5 deaf individuals stepped forward to receive Jesus Christ as their Lord and savior. Praise the Lord!

Remembering Mark Blank

In the beginning of August, we also had the privilege of gathering together to remember the life and ministry of our dear friend **Mark**, who dedicated his life as a missionary to the Deaf for over two decades here at RSM.

More than **50 Deaf individuals and friends** came together for his memorial service. It was a beautiful time of fellowship, remembrance, and thanksgiving for Mark's life and his dedication to serving the Lord and the Deaf community.

Several Deaf individuals shared brief testimonies about the way Mark had impacted their lives. Hearing these stories was a powerful reminder of the lasting influence one person's faithfulness can have on others.

Although we continue to feel his absence, we are thankful for the legacy Mark leaves behind and for the many lives he touched through his love for Jesus and his service to others.

Prayer Requests for RSM

As we continue to maintain Rancho Sordo Mundo and make it available for Christian camps, ministries, and outreach, we are also facing several important needs.

One of our immediate needs is the **maintenance of our wells**. The Ranch depends on these wells for its water supply, and the estimated cost is approximately **\$2,500 USD per well**. We ask you to pray with us that God will provide the funds needed to keep these wells functioning properly.

We are also praying about ways to **expand our lodging capacity** so that we can host larger Christian camps and ministry groups. One possibility is to renovate some existing buildings and add bathrooms, allowing us to accommodate more people while making better use of the facilities God has entrusted to us.

These projects require significant resources, but we are trusting God to provide according to His timing and purposes. **Please pray with us for the financial provision, wisdom, and people needed to continue developing the Ranch as a place for ministry.**
