RSM RV PARK

Dear Friends,

We hope this newsletter finds you well! We are deeply grateful for the all our supporters who pray for us and continue to financially support the ministry. Here are the latest updates at RSM:

We are currently going through a banking transition and have partnered with our sister Deaf organization ANGELS OF LOVE, INC. to receive donations and to help us disburse the donations to our ongoing Deaf ministries. For the time being, please make out any donation to RSM to **ANGELS OF LOVE, INC** so we can continue to bless the Deaf of Mexico. Our PO BOX will remain the same.

In July, we had the privilege of hosting Young Life Adventures Baja for the whole month. We are grateful that our facilities are equipped to host camps like these who go out and serve the surrounding community. We were very busy that month but also thankful for the opportunity to host them.

During the weekend of September 16, we had a youth camp from a local church in Ensenada called Iglesia Corazón y Fuego use the facilities to teach, encourage and in general to give the youth a fun time during their stay here. It is a great feeling to see these buildings be filled with life again for God's glory, and we hope to continue to bring that experience to different churches in Mexico and from the USA. Contact us if you are a church considering on going on a missions trip, retreat or planning a youth camp, our place just might have everything you need.

Hogar EnSeñas Update

In October, Ed Everett alongside side with Greg Stidham and friends led a missions trip down to the Deaf school in Queretaro to work on much needed projects.

They stayed for about a week and worked nonstop to complete around ten different projects on the school which included bathroom projects, a wash room,

two roofs, kitchen cabinets, benches in a dining room, and some painting projects. We are still looking for

more volunteers and churches who are interested in serving the Deaf down in Queretaro. For more information about this, contact Ed Everett.

Thank you!

EVERETT FAMILY HIGHLIGHT

Joshua & Jessica Everett

Hello friends! This past August, Jessica and I celebrated our two year anniversary as a married couple. It has been a really great and busy two years for us. Besides our reg-

ular responsibilities on the Ranch like the maintenance and cleaning for camps, I have been helping out the Deaf men's ministry in Ensenada repair their old building, and during the beginning of the year, Jessica and I volunteered with Baja Bounds on different house builds for low income families. Meanwhile, Jessica graduated as a professional translator and has been working with churches in California in getting their content translated into Spanish. We have also been pretty focused on finishing our house here on the Ranch, but there is still so much to do. On Sundays, we have been going to church in Ensenada at Horizonte Calvary Chapel, and Jessica has also been investing her time in creating community with a group of women at a Bible Study from the same church. It is nice to have family close by here on the Ranch and to have Jessica's family close in Ensenada too. During my free time, I like to spend time improving my carpentry skills at the woodshop, camping with my wife and friends, walking the dogs, and enjoying dif-

ferent coffee shops with my wife. One of my favorite things to do is to sit on the back porch of my house with Jessica and with my two dogs (Foca & Mako) and watch the Guadalupe sunset. Just recently, at the end of November, my wife and I made the decision to move to Washington for financial reasons. We both decided it was best to work for about a year before returning to serve back at the Ranch so we can be a bit more financially stable while we plan to grow our family in the coming years. Pray that our time in Washington is fruitful! Thank you all for your support and love towards us and the ministry. -Joshua Everett
